

Date Adopted: September 6, 2022
Date Reviewed: October 18, 2022
Date Amended:

2. Surveillance cameras will not be installed in classrooms, break rooms, grooming rooms, change rooms or washrooms.
3. Signage will clearly state that surveillance cameras are in use and that monitoring may be occurring.
4. School buses are equipped with video/audio surveillance cameras.
 - a) The Transportation Supervisor or designate will collect recordings.
 - b) School bus drivers or principals may view a specific recording. A mutually convenient time can be arranged with the Transportation Supervisor.
 - c) Parents will only be allowed to view the recordings under exceptional circumstances, in compliance with [The Freedom of Information and Protection of Privacy Act](#).
